Happy New Year!

Welcome Back!!! I hope that the holidays were wonderful for you and your family and that 2019 entered with peace and joy!

All of the children have returned to school after the long holiday break and are very happily readjusting! It is rewarding to see the children skip and run with exuberance into school after being away for so long. What a wonderful blessing!

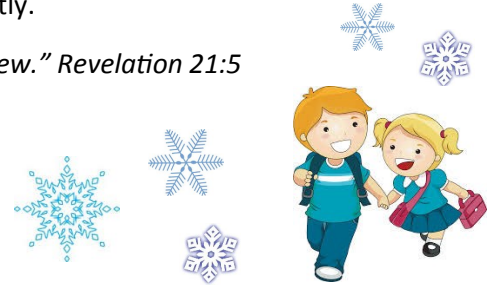

2018 was a year of many blessings for Snellville United Methodist Church Preschool & Kindergarten. It is my hope that 2019 continues this trend and that we all enjoy happy times that create beautiful memories.

Thank you for partnering with us in your child's education. It's a privilege that our staff and I do not take lightly.

...*"Behold, I am making all things new."* Revelation 21:5

Happy New Year!

Debbie

Campus Activities

Registration for 2019-2020 Begins

January will be a busy month here as we turn our attention to the 2019-2020 school year. Registration for currently enrolled families and SUMC members will begin Monday, January 28 at 9:30am in Room 102. Registration will remain open until Friday, February 1, allowing plenty of time for you to reserve class placement for your child before general enrollment.

Registration will open to the community on Monday, February 4. Please refer all of your friends and neighbors. You are our best advertisement! For every new family that registers their child and tells us that you referred them, you will receive a \$50.00 tuition credit.

Warm Clothing Accessories Drive Update

Our Warm Clothing Accessory Drive benefiting children in our area was a HUGE success. Thank you for supporting our December mission to help keep our children warm as they stand at the bus stop or play on the playground. We collected 66 scarves, hats, and mittens. What a blessing!

Thank You

Thank you to our volunteers who gave their time to work Santa Shop. The children were really excited about creating and decorating the bags that you received your "special" gift in.

Thanks for being a wonderful, supportive group of parents. Your involvement in our program directly benefits each child and teacher at SUMC Preschool & Kindergarten.

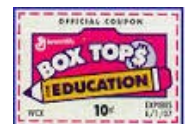

Box Tops Update

A big thank you goes out to all of our families for sending in Box Tops. Ms. Karen & Ms. Suzie's 4 year old class wins our friendly classroom collection competition for the months of November and December. Their class turned in 315 box tops! They will be rewarded with an ice cream party.

Please continue to clip box tops and send them in to your child's teacher. The next collection period is January and February.

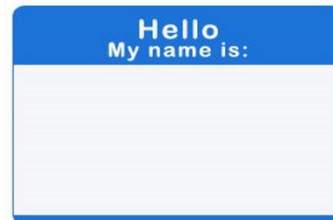

Security Reminder

Just a Friendly Reminder:

If you come to the school at any time during the day other than carpool, please use the Preschool main entrance, which is the Cokesbury Building (Bldg D), closest to Henry Clower Blvd. After ringing the doorbell for entrance, please sign in at the office and get a Visitor's Sticker.

We also ask that you follow these same procedures if you are checking out your child during the day. We are required by the state to maintain accurate attendance records, therefore it is imperative that you come to the Preschool Office to sign your child out. When checking out your child, please bring in your carpool tag or be prepared to show your picture id.

In-House Field Trip

The children are in for a special treat on Thursday, January 24 when Geof Johnson, with Music for Kids, is on campus. Geof will perform his Winter show. He will feature many different musical instruments too. Come prepared to sing, sway, and tap your feet to these infectious, lighthearted songs! Geof's performances are up-beat, playful, and perfect for young children.

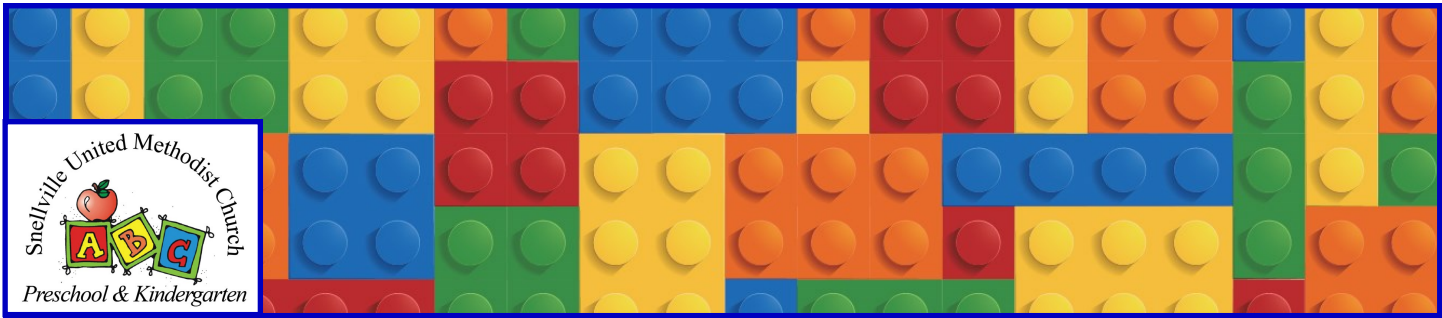

Fire Drill

This month we are required to conduct a fire drill. It will be on Tuesday, January 15. The fire alarm will be activated to familiarize the children with the sound so we can prepare them to evacuate in case of a real fire. Please help us by sharing with your child our fire drill process and telling them about the loud noise the alarm will make when it is activated.
